

September 15, 2016

Dear Parents:

Welcome back to another exciting year at MPRCS! The Home and School Board has planned many interesting events to make it a memorable year.

The annual dues of \$50.00 per family will remain the same. Please complete the form below and return it with payment by Friday, September 30th. **Make checks payable to MPRCS and mark the envelope Denise Lynn Todd c/o Giovanni Todd (grade 3).** Please send a **separate** check for the Home and School dues apart from other school payments.

The Home and School contributes to a variety of student and school events, and the Home and School dues helps us cover these costs. It's important for all families to participate by sending in their dues. Home and School has funded or supplemented the following costs during the past 2 years: field trips, teacher gifts, special event fees, Catholic Schools Week events, doughnuts and faculty luncheon, and family socials.

Thank you so much for supporting our endeavors. Together we can make memorable childhood experiences for our treasured children!

Respectfully,

Denise Lynn Todd

Home and School Treasurer
